2017 Summer Archery League

We are now signing up teams for our outdoor summer archery league and are inviting you to take part in a fun, practice filled event.

The league is open to men, women and children of all ages and shooting styles. This is a handicap “shoot what you bring” league, so all levels of shooters are welcome. We want you to get in some practice and above all, have fun.

Teams will consist of 4 people (any mix of men, women and children). Shooting will be for 10 weeks. 45 cardboard or new plastic targets will be set up from unmarked distances. Shooting will be from the ground or elevated stands.

Cost to shoot this year will be \$25.00 per shooter. You can also get a sponsor to cover your fees. All shooters must be a member of OCC. Membership fees are \$30.00 per family (includes: member, spouse and all children under the age of 18) plus the archery range maintenance fee of \$10.00 that you will purchase along with your membership. A further explanation of fees can be seen in the Archery League Rules #3.

League will start the week of May 28 and end on August 5. Weeks will start on Sunday through the following Saturday.

For those who shot last year, we hope you join us again this year. For those who have not been with us before or have shot in the past and would like to return, we welcome you. Please tell your friends and pass the word to all that the fun is about to begin.
